### Student/Parent Contract for Slaughter Community Charter School's Virtual Option

As a family participating in SCCS's virtual option for the 2020-2021 school year, I commit to the following guidelines:

- 1. I understand that I am making this commitment for the first 9-week period of the school year. I will not be able to change to the blended option until the first 9-weeks is over. After each 9-week period, I will be able to choose to continue with the virtual program or shift to the blended model should space be available.
- 2. I understand that I must have access to a computer and a reliable internet connection and that all fees associated with the course (computer, internet, printer, paper, etc.) are my responsibility.
- 3. I agree to check the email assigned to me daily.
- 4. I understand that it is my responsibility to complete the course assignments weekly and that, if I fall too far behind, I could be un-enrolled for the virtual option.
- 5. I will complete all assignments by the date determined by the instructor.
- 6. I must coordinate with the virtual school director to arrange for monthly 'check-ins' to complete teacher made exams on campus. These exams will be administered on Mondays in the cafeteria while the school is closed to keep the student numbers very low.
- 7. I understand that anything I do with respect to my courses can be accessed by the virtual school director at any time.
- 8. I understand that the courses will be graded just as if I were attending school in the traditional setting.
- 9. I understand that I will be required to take any tests mandated by the state during this school year. For High School, LEAP 2025 scores will still count as 30% of their final grade in ELA I, ELA II, Algebra I, Geometry, Biology, and American History. For Middle School, the 8<sup>th</sup> grade LEAP 2025 will remain a determining factor for promotion to High School.
